

AP Macroeconomics Summer Extra Credit Opportunity

There is no summer reading for AP Macroeconomics. However, there is an opportunity for extra credit. Students can take a self guided tour of the Atlanta Federal Reserve Bank. Students will have their lowest quiz grade replaced with a 100% for taking the tour. As proof of taking the tour, have your picture taken outside the Bank (they frown upon pics inside) and get a bag of shredded money at the end of the tour.

Tour information, hours of operation and directions can be found at:

<http://www.frbatlanta.org/>

Below is a cut and paste from the Fed's website about Self-Guided Tours. It is a good idea to contact the Fed before going on your tour to make sure they are open.

Self-Guided Tours

Individuals or groups of fewer than ten people may participate in self-guided tours of the Visitors Center and Monetary Museum from 9 a.m. to 4 p.m., Monday through Friday. Self-guided tours are limited to visiting the Visitors Center and Monetary Museum and do not need to be scheduled.

Look forward to seeing you next school year!
